- Hindi

HOBBIES

- Playing Cricket
- Photography

PROFESSIONAL SUMMARY

Motivated and ambitious B. Tech graduate in Computer Science, passionate about leveraging technology to solve real-world problems. Seeking opportunities in software development, data analysis, or related fields to gain hands-on experience while continuously expanding skills and knowledge.

EDUCATION

B.Tech - Bachelor of Computer Science 2025
Babu Banarasi Das Northern India Institute of
Technology Lucknow (AKTU)
CGPA: 7.3

PROJECTS

IOT Based Irrigation System SEP 2024 - MAY 2025

Developed an IoT-based smart irrigation system using ESP8266, soil moisture, and DHT11 sensors, enabling automated water control, real-time monitoring via Blynk, and improved resource efficiency.

Calculator using TkinterLibrary

Developed a calculator application using Python's Tkinter library, featuring an interactive GUI with basic arithmetic operations, error handling, and user-friendly design.

Website cloning of MYNTRA.

Developed a Myntra website clone with features such as product listings, user authentication, shopping cart, and responsive UI to simulate real-world e-commerce functionality.

CERTIFICATIONS

- Introduction to OpenShift Applications in RedHat
- Workshop in IOT by Softpro India.
- Workshop completion in Application designing using JavaScript
- Oracle Cloud Database Services 2025 Certified Professional
